Tutorial 19th of February

carla.muntean

February 2020

1 Do you feel that all the membres of the team put in comparable effort?

• we are behind with our work/ features we were aim to implement so far according to the gantt chart

2 Do you think your role in the team is clearly defined? Do you undertake what is expected from you?

• everyone knows clearly what they are supposed to do • we all know that maybe some members of the team rely on our own work and we have to approach each task with seriosity

3 Organising

3.1 GIT

Everyone must use git for version control
We have 4 folders:
• Back-end
• Front-end
• Notes
• Complete - back-end and front-end

3.2 Communication

• Git
• Slack
• Whatsapp
! Please react to each post so that we know who has seen the message

4   Next steps

4.1   Twice a week metings

• Wednasdays from 1 pm • Saturdays from 3 pm

5   Important

• whenever you are not happy with the way the team works or have any other issues please discuss them with the team

   • Saturdays from 3 pm

   Next meeting 20th of February from 11 am
